RACE RELATIONS AND SOUTHERN BAPTISTS COLLECTION

AR. 788

I. Historical

This collection is the result of files started and maintained by Theo Sommerkamp, Floyd A. Craig, Jim Newton, and perhaps others as a part of the resources of Baptist Press. They were originally included in the archival resources of the Executive Committee of the Southern Baptist Convention.

II. Scope and Content Note

The Southern Baptists and Race Relations Collection primarily contain articles, clippings, correspondence, notes, pamphlets, posters, and press releases. In addition, it contains excerpts from annuals of the Southern Baptist Convention. Although the first annual included is 1849, only five years from the founding of the convention, the majority of the materials are from the late 1950's and 1960's, reflecting the turmoil of Baptists and others in the south immediately in the wake of the U. S. Supreme Court decision in May, 1954.

The collection is primarily arranged in chronological order with folders arranged alphabetically within the years. It contains 2/3 cubic feet of space and additions to the collection are not expected.

Access to the materials in the collection is given to students, scholars, and researchers during regular library hours, 9:00 A.M. to 4:00 P.M. Monday through Friday, except holidays.
